*Volunteer Fundraiser Award*

Date: March 1, 2011  
To: All Cancer Fighters:  
From: Joe Krushinsky, American Cancer Society Telethon Committee Chairman  
Subject: 2011 Cancer Fighters Tribute Dinner

Each year we honor distinguished volunteers and fundraisers whose efforts have contributed to our success and inspired others to join in the fight against cancer.

This year we recognize long time telethon entertainers **Perseverance Jazz Band** with our third annual Pat Haughton Award. I know you'll agree that Pat would have loved the idea of recognizing original members of our Telethon family. The Rhoades Award will recognize Panther Valley **Harmony Scholars**, young entertainers and fundraisers. Each year **Tony Walck** rallies the troops to answer phones, make contributions and help the telethon grow. **Cary Sinclair** has volunteered with ACS much of her life, and recently she survived lung cancer.

To make the evening extra special, we will have vocal performances and remarks by **Dr. Richard Boulay, tenor singer and Chief of the Gynecologic Oncology division at Lehigh Valley Health Network**. Dr. Boulay's performances and inspirational speaking have been a highlight at recent telethons, and his CD recording has raised dollars to help cancer patients.

**Join the Celebration**
