

\$500 REWARD

FOR CONVICTION OF:

KELLNER'S DAM VANDALS

I am donating a one-time, first-person \$500 reward for anyone's court-used testimonial that leads to the conviction of any or all of the vandals that took part in the hurtful destruction of Kellner's Dam. My only purpose is to show these cowards, that we, the kind community of Tamaqua, don't put up with vandalism and pointless acts of destruction. If you hurt OUR park, you hurt EVERYONE living in Tamaqua. These criminals' destructive actions and lack of honor are a disgrace to all the hard work the many volunteers put into the Kellner's Dam Project. Just because they don't have pride for Tamaqua like we do, doesn't give them the right to take something great from us. We will find them.

And they will pay for their crimes. I promise.

Please call the Tamaqua Police if you have any useful information concerning the Kellner's Dam vandalism.

Don't let these criminals get away with their evil actions.
